1 of 1 people found the following review helpful:

★★★★★ **Another great from Maaya**, June 19, 2003

Reviewer: **"ellie-chan"** (USA) - [See all my reviews](#)

I think this album is a good example of what Maaya is capable of. It has a few of her more pop-style pieces (Honey Bunny, Koucha) and some that are kind of pop, but that aren't so typical. (Mameshiba / That's my fav) There are also some soft sweet pieces (Lucy, Kuuki to Hoshi) that kind of complete the album's feel. As usual, Maaya has come out with an album that doesn't give you a whole slew of the same kind of song - there are more than one genre on there. Personally, this is one of my favorite Ma Sakamoto albums. If you liked this, I would recommend DIVE as well.
